WELCOME TO HARVEST BIBLE COLLEGE

Let us take this opportunity to welcome you to what will be the most exciting journey into the depths of Christianity. Whether you are a Christian that's looking to learn more or you believe that God has called you to serve in a servant leadership capacity in the Kingdom, HBC is for you. HBC is committed to excellence and every course has been designed to challenge you to grow in every area of your life. Again, welcome!

Taking Over,

Bishop Foreman
Founder & Chancellor

● What is Harvest Bible College?

- HBC is a non-denominational, Charismatic (Spirit-filled), self-paced, Christian Bible College that offers Biblically based, theological, Associate through Doctorate level degrees. HBC was birthed in 2008 out of a passion in Bishop Foreman to see Christians equipped to change the world and fulfill the Great Commission of Jesus Christ through receiving quality education and impartation. God is raising up well learned leaders that are empowered by the Spirit to be on the front lines of twenty first century ministry. HBC is for Christians looking to deepen their relationship with Jesus Christ and for those looking for advanced Biblical and practical ministry training. HBC is not a degree mill and any degree granted by HBC must be earned with the exception of our honorary degrees in which we will indicate their honorary status.

● What is our Mission?

- The mission of HBC is found in the heart of Jesus' Great Commission found in Matthew 28:19-20. *Our mission is to equip the next generation of leadership in the Body of Christ.*

● Why did Bishop Foreman start HBC?

- God directed Bishop Foreman to start Harvest Bible College to train & equip believers for the work of the ministry after years of seeing people placed in leadership roles without the proper knowledge or understanding to effectively teach nor lead people.
- Gifted as an apostle, Bishop Foreman is committed to fulfilling the instructions the Apostle Paul gave to his spiritual son Timothy when he

said, “commit these things to faithful men (and women) that are able to teach others.” HBC is about raising a mighty army of history makers and world changers. The Scripture teaches that “the Kingdom suffers violence, but violent men (and women) take it by force.”

- HBC is committed to *preparing* servant leaders who influence business, government, arts & entertainment, church/spirituality, family, education, and media. *Preparation* is never a waste of time. David was not *experienced* in fighting giants, but the lion and the bear *prepared* him.
- Recent statistics suggest that eighty percent of leaders drop out of the ministry and eighty percent of those who stay are on the verge of giving up and we believe that the lack of preparation is a leading cause. Harvest Bible College may not be the best fit for those that want to passively sit back and take sides with antiquated religious rhetoric, but is perfect for those that want to see lives changed forever for God’s glory.

HBC CATALOG UPDATE DISCLOSURE

- Harvest Bible College reserves the right to make changes with or without notice in its courses, faculty, procedures, costs, and anything else related to HBC or contained herein at any time as it deems necessary. To provide the latest information available to our students, changes to this catalog will be made available on our website.

STATEMENT OF BELIEFS

- In essential beliefs we have unity, in nonessential beliefs we have liberty, and in all of our beliefs we show love!!
 - **Charismatic:** We are charismatic because we believe in the gifts and in the baptism of the Holy Spirit (Acts 2, 1st Corinthians 12,14).
 - **Kingdom:** We are a Kingdom church because we are Kings & Priests extending God’s Kingdom through Harvest in the seven spheres of society of business, family, arts & entertainment, church, media, education & government according to Revelation 5:10.
 - **Non Denominational:** We are nondenominational because we’re not formally aligned with an established denomination (Ephesians 4:4-5).
 - **Christians:** We are Christians because we’re disciples of Jesus Christ (Matthew 28).
 - **Jesus Christ:** We believe that Jesus Christ is the Son of God, born of a virgin named Mary, shed His blood on Calvary in our place, was buried,

rose again, and ascended to the Father according to the Scriptures (John 1:14).

- **The Scriptures:** We believe that the Bible is the verbally inspired Word of God and is inerrant in the original writings. The Bible being the revealed Word of God is the ground and foundation from which all claims of truth shall be sustained. The Word of God is alive! Through God's sovereign hand, the Scriptures have been preserved and are supreme and the final authority (Isaiah 55:11; 2nd Timothy 3:16).
- **God:** We believe that there is only one true and living God existing in the Father, Son, and Holy Spirit (Deuteronomy 6:4).
- **Man:** We believe that man is the direct creation of God body, soul, and spirit. Therefore, man is not in any way a result of evolution, but is made in God's image. The fall of Adam resulted in the fall of creation and mankind both physically and spiritually, thus the sacrifice of Christ was necessary (Genesis 1:26 27; Romans 3:10, 5:12, 8:18 23).
- **Salvation:** We believe that all who, in faith, receive the Lord Jesus Christ as Savior are born again and thus become the children of God (Ephesians 1:7; Romans 10:9-10; Romans 5:7-11; Colossians 1:13-14, 21-22; John 17:16-22; 2nd Corinthians 5:17; 1st Corinthians 6:19).
- **The Priesthood of the Believer:** We believe in the priesthood of each individual believer so that every Christian has direct, personal access to God through prayer. (1st Peter 2:9, 10; Hebrews 4:14 15, 5:2).

ACCREDITATION

- **Accreditation Defined (Source: Merriam Webster)**
 - To "accredit" is to give official authorization to or approval of; to provide with credentials; to recognize or vouch for as conforming with a standard; to recognize as maintaining standards that qualify the graduates for admission to higher or more specialized institutions or for professional practice.
- **U.S. Department of Education (USDE) Accreditation**
 - USDE accreditation is not necessary for the theological degrees in which we offer. Individuals seeking employment in government positions or licensed positions such as public school teachers, state licensed psychologists or psychiatrists, and counselors will more than likely need USDE accredited degrees. Generally speaking, most people working in

ministry positions do not need a USDE accredited degree. However, if you are pursuing education at Harvest Bible College with the intent of obtaining employment or for some other reason, check with that organization before applying for enrollment in Harvest Bible College to determine if they'll accept your HBC degree. Harvest Bible College assumes no liability of any kind for any reason & makes no guarantees whatsoever about how it's degrees can be used.

- **Our Accreditation**

- While Harvest Bible College is not required to obtain regional nor national USDE accreditation, we are fully accredited by the Worldwide Accreditation Commission of Christian Educational Institutions (WWAC).
- *WWAC Required Disclosure:* Anyone wishing to contact them for verification may write to: The WWAC, 2800 Blendwell Rd. in Richmond, VA 23224. WWAC has chosen not to seek endorsement by either the EAES or COPA due to separation of church and state, but is a growing and respected accrediting network of over 200 schools on the cutting edge for the cause of Christ.

- **State Authorization**

- Harvest Bible College holds authorization from the States of Colorado & South Carolina Departments of Education to offer and confer theological & religious degrees.

COLLEGE COMPARISON: Harvest Bible College vs. Traditional Undergraduate College

- **Tuition Costs (Source: www.collegeboard.com)**

- Public four year colleges charge, on average, \$7,020 per year in tuition and fees for students who live in their state making the total cost \$28,080 for an undergraduate degree. The average surcharge for full time out of state students at these institutions is \$11,528 making the total cost

\$46,112. Private four year colleges charge, on average, \$26,273 per year in tuition and fees making the total cost for an undergraduate degree \$104,948.

- Harvest Bible College charges a flat rate per course tuition for its undergraduate degree programs totalling less than \$2,500. This course saves you anywhere between \$25,000 - \$100,000.

- **Degree Completion**

- Traditional colleges require four years to complete your undergraduate degree, assuming full time enrollment.
- Through Harvest Bible College, you can complete your undergraduate degree at your own pace. HBC does not force you to uproot yourself nor your family, putting your life "on hold" while you pursue your Christian education.

- **Coursework**

- Traditional colleges require you to take up to 60 credits of unrelated course work that you may never use.
- Harvest Bible College is a theological institution so we don't require unrelated coursework. All of your studies will be devoted to coursework that will benefit you in advancing the Kingdom of God.

- **Obtaining Employment**

- Over 2,000,000 college graduates are unemployed (Source: CBS News) and over 80% of traditional college graduates move back home after completing a four year degree program and after having racked up significant debt, while only 20% have jobs lined up upon graduation. (Source: Baltimore Sun & ABC News)
- Harvest Bible College is for students that want to fulfill their assignment in the Kingdom. For some this means full-time or part-time employment in ministry and for others this means being well learned and equipped servant leaders in an unpaid capacity.

- **Tuition Costs Compared to a Comparable Online Christian Bible College**

- The average comparable bible college averages over \$9,000 per academic year for undergraduate programs costing you close to \$36,000 over four years.
- HBC leads the way in introducing high quality, affordable, Christian education at a total undergraduate degree cost of less than \$2,000.

 - The field of Biblical Studies examines the major Scriptural themes and the main topics of the Sacred Scriptures. It also examines various doctrines in the Word of God. Thy word is a lamp unto my feet and a light unto my path

wrote the psalmist (*Psalm 119:105*). The Apostle Paul taught that these things are written as examples for us, so we can choose the way we will live (*1 Corinthians 10:6*). These skills are for everyday believers wanting in depth knowledge on how to use and study the Word and even those that desire to lead a small group.

- **Biblical Studies with Five-Fold Commissioning**

- In accordance with *1 Timothy 4:14 ESV* Do not neglect the gift you have, which was given you by prophecy when the council of elders laid their hands on you. Five-Fold Ministry Commissioning is to activate & publicly commission the use of an individual's five-fold ministry gifts in order to equip God's people for the work of the ministry to build up the body of Christ.

- **Biblical Studies with Ministry Ordination**

- Ministry Ordination formally recognizes & sets apart one for public ministry as an ordained minister of the Gospel of Jesus Christ. The nomenclature inside of Harvest Church would be that of an elder and/or pastor. It would be the discretion of any church or organization outside of Harvest Church for how they would recognize these credentials.

- **Christian Counseling**

- Christian Counseling examines the use of Biblical truths in counseling. The goals and techniques used to reach a person's goals are examined. This program will train Christian counselors who can discern the needs of an individual and usher in the grace of God to meet those needs and to use the techniques and skills which Jesus Christ utilized. Use of this degree program can be found through leading a small group, on staff at your local church, a counseling ministry, in para church ministries such as chaplaincies in nursing homes, hospitals, hospice, and law enforcement. HBC does not certify counselors in any way; however, our graduates may qualify for certification via the International Association for Christian Counseling Professionals located at 1115 D Street, Ramona, CA 92065, www.iaccp.net.

- **Christian Education**

- The study of Christian Education examines the theory and practice of providing educational services to members of the Christian community. Emphasis is placed on training in the teachings of Jesus Christ and the development of Christian character. In this degree program, students go in

depth in theological studies and examine the relationship between God and man and are taught to be able to teach others effectively.

- **Ministry**

- The study of the Ministry pertains to doing the work of the Lord. Also covered is training in the performance, duties, and responsibilities that come with being a member of the clergy. Students will implement the skills learned in very practical ways. This degree program is great for those desiring to serve in part-time ministry or full time ministry, or as an unpaid servant leader in ministry. It also examines the various ways that a church or ministry should operate with integrity and excellence and trains students on how to properly administrate a ministry.
